**Match Length & Tiebreakers** - For Fall League match times limited to 2 hours. **DO play a 10 point match tiebreaker played in place of a 3rd set.** Score 1-0. Any deviation from these rules must be agreed to before the match starts by all involved. Match breakers played & 2 hour time limit for ALL regular season and post season (semis & finals) matches. **Set Tiebreakers are played at 6-6 in any set (first to 7 win by 2).** Score 1-0. **Use traditional rotation (not Coman)** for all tiebreakers.

**Captains are responsible for calling opposing captain before each week's match** to confirm match date, time & details as well as to exchange cell phone numbers. Pre-match calls pave the way for a fun, smooth match and is a gracious gesture as well. A match played is a match played. Any concerns should be addressed prior to play. Before play begins participants have opportunities to make adjustments, if there are issues, that will result in a match played in compliance with rules. There are no such opportunities after the match. Only when information cannot be known prior to play will match appeals be considered by the League.

**Reporting Results: BOTH teams are responsible for score entry & verification within 48 hours;** <https://audishawneemissiontencapleague.org>. One captain enters/other captain verifies. If edits in verification process, complete process within 1 week. Keep score records. Both teams subject to default if scores not entered and verified within a week of match OR League is not notified of make-up date. Matches should be rescheduled within a week of original date (notify League of new date) and played within 2 weeks of original date. During the last 2 weeks of regular play, complete rescheduled matches by last regular match date or by date specified for the division by the League. Take care with entry and verification. Ratings calculated when match is verified cannot be re-calculated.

**Tencap Tennis Ratings:**

**Pairings:** Use Roster Ratings. Doubles pairings (average of 2 players' Roster Ratings) in all divisions may be no more than .5 below for all divisions. For 'A' divisions, no more than .5 above. For 'B' divisions or divisions without 'A' or 'B' in name, no more than 2 above. For L Purple, L Purple B, M Black or M Black B divisions, above range rule applies to court 1 only. Roster rating is found only on team roster and is the **ONLY** rating displayed. Roster Rating does not change during a season. **Court Assignments** - Also use Roster Ratings. Lowest pairing plays court 1, the highest pairing plays court 3. While Current Ratings are displayed on player Profile rating badges and on the match records, they are NOT used for Rules.

**Defaults: AVOID defaults!! PLAY is important!** If a default is unavoidable, use default option when entering scores. Do not enter games that are not played. Defaults automatically calculated when option selected.
